Warrior Canine Connection – Bethesda, MD

Experienced service dog trainer needed - train service dogs and help Veterans!

Warrior Canine Connection has an immediate opening for an experienced service dog trainer at our Bethesda, Maryland program location. If you are a passionate, experienced service dog trainer with great people skills, this just might be your dream job!

Warrior Canine Connection is a nonprofit organization with a unique and highly effective service dog training model we call Mission Based Trauma Recovery. In short, active duty Service Members and Military Veterans with combat related stress are engaged to help us train Golden Retrievers and Labradors to be service dogs. Our service dogs learn up to 90 commands during a comprehensive, two-year training process. After those two years of training, the dogs are professionally matched with a disabled Veteran who has mobility impairments or psychological injuries.

As a WCC Service Dog Training Instructor, you will provide one-on-one instruction and teach small group classes to these volunteer Warrior Trainers, as well as to puppy parents, clinical staff, and community volunteers.
