

Warrior  
Canine  
Connection

# FUNDRAISER

Thank you so much for being a part of the Warrior Canine Connection (WCC) mission. As each WCC Service Dog spends two years in training, it costs the organization thousands of dollars for every dog placed. However, with the support of many friends and hundreds of student groups, we are able to provide all of these amazing Service Dogs at zero cost to Veterans and Military Families that need them most. We would love to have YOUR help in raising the vital funds needed to breed, train and place more WCC Service Dogs with wounded Veterans.

## IT'S SO SIMPLE!

- **Print and cut out the label below.**
- **Attach it to an empty 16 oz. water bottle.**
- **Fill the water bottle with dimes you collect.**
- **When you reach the top—you've raised \$100!  
That's enough for a customized service vest and leash for one WCC dog.**
- **Have your parents help you go online  
(warriorcanineconnection.org) to make your gift,  
or send a check to: Warrior Canine Connection,  
14934 Schaeffer Road, Boyds MD 20841.**
- **Every single gift will receive a personal thank you  
note and tax receipt.**
